## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>Hydroxylamine sulfate</b>        |
| Specifications & Purity: | PrimorTrace™, ≥99.999% metals basis |
| SKU #                    | <b>H104046</b>                      |

| Parameter                                       | Limit Values             |
|-------------------------------------------------|--------------------------|
| H2NOH(Titration by KMNO4)                       | 39.2-41.7 (%)            |
| Trace Metal Analysis                            | 0-20 (ppm)               |
| Purity(Based on Trace Metals Impurities of ICP) | 99.999-100 (%)           |
| Appearance (H104046)                            | White Powder or Crystals |
| ICP:Confirms Sulfur Component                   | Confirmed                |
| Infrared spectrum                               | Conforms to Structure    |
