

## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>3,3',4,4',5,5'-Hexachlorobiphenyl</b> |
| Specifications & Purity: | 100 ug/mL in Isooctane                   |
| SKU #                    | <b>H128995</b>                           |

**Parameter**

Infrared spectrum

Proton NMR spectrum

**Limit Values**
