## Specification Sheet

Product Name: **4-Hydroxy-3-nitrobenzaldehyde**  
Specifications & Purity: >97.0%(GC)  
SKU #: **H156883**

| Parameter            | Limit Values                                      |
|----------------------|---|
| Purity(GC)           | 97-100 (%)  |
| Melting point        | 140-144 (°C)                                      |
| Appearance (H156883) | Pale Yellow to Orange,Brown Powder,Crystals,Solid |
| Proton NMR spectrum  | Conforms to Structure                             |
