## Specification Sheet

Product Name: **4-Hydroxy-3-nitrophenylacetic Acid**  
Specifications & Purity: **>98.0%(T)**  
SKU #: **H157028**

| Parameter                        | Limit Values                                                                         |
|----------------------------------|--------------------------------------------------------------------------------------|
| NMR Spectrum 1H                  | Conforms to Structure                                                                |
| Melting point                    | 144.0-148 (°C)                                                                       |
| Purity(Neutralization titration) | 97.5-102.5 (%)                                                                       |
| Appearance(H157028)              | Light yellow to Yellow to Brown to Amber to Dark green powder to crystal or Chunk(s) |
