## Specification Sheet

Product Name: **4-Heptylbenzonitrile**  
Specifications & Purity: **≥98%(GC)**  
SKU #: **H157117**

| Parameter                | Limit Values                               |
|--------------------------|--------------------------------------------|
| Appearance(H157117)      | Colorless to Almost colorless clear liquid |
| Purity(GC)               | 98-100 (%)                                 |
| Proton NMR spectrum      | Conforms to Structure                      |
| GC-MS for identification | Conforms                                   |
