

## Specification Sheet

Product Name: **12-Hydroxystearic Acid**  
Specifications & Purity: **>80.0%(GC)**  
SKU #: **H157144**

| Parameter            | Limit Values                                                      |
|----------------------|-------------------------------------------------------------------|
| Purity(GC)           | 80-100 (%)                                                        |
| Melting point        | 75-80 (°C)                                                        |
| Appearance (H157144) | white to pale yellow Powder, Crystals or Chunk or Flakes or Solid |
| Proton NMR spectrum  | Conforms to Structure                                             |
