

## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Heptatriacontane</b> |
| Specifications & Purity: | 95%                     |
| SKU #                    | <b>H157215</b>          |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Melting point       | 76-80 (°C)            |
| Proton NMR spectrum | Conforms to Structure |
| Purity(As C)        | 95-100 (%)            |
