

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

Specification Sheet

Product Name: **1H-1,2,3-Triazole**
Specifications & Purity: **>98.0%**
SKU #: **H157233**

Parameter	Limit Values
-----------	--------------

Refractive index n ₂₀ /D	1.495-1.499
-------------------------------------	-------------

Purity(GC)	98-100 (%)
------------	------------

Appearance (H157233)	White or Colorless to Light yellow to Light orange to Red brown powder to lump to clear liquid
----------------------	--

Proton NMR spectrum	Conforms to Structure
---------------------	-----------------------
