

## Specification Sheet

Product Name: **4-(Hydroxymethyl)-3-nitrobenzoic acid**  
Specifications & Purity: **97%**  
SKU #: **H195186**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 97-100 (%)            |
| Melting point       | 166.78-174.27 (°C)    |
| Proton NMR spectrum | Conforms to Structure |
| Appearance(H195186) | Yellow Solid          |
