

## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>Hexapeptide-11 TFA</b> |
| Specifications & Purity: | ≥98%                      |
| SKU #                    | <b>H292830</b>            |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| Fluorine NMR Spectrum    | Conforms to Structure |
