

## Specification Sheet

Product Name: **AD-mix-β**  
Specifications & Purity: **≥98%**  
SKU #: **H302939**

| Parameter                                         | Limit Values          |
|---------------------------------------------------|-----------------------|
| Assay(Potassium carbonate)                        | 28.6-30.1 (%)         |
| Assay(potassium ferricyanide)                     | 68.2-71.8 (%)         |
| Assay(Potassium osmate(VI) dihydrate)             | 0.050-0.054 (%)       |
| Assay(Hydroquinidine 1,4-phthalazinediyl diether) | 0.538-0.566 (%)       |
| Water by Karl Fischer                             | 0-1 (%)               |
| Infrared spectrum                                 | Conforms to Structure |
