

## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Heptanal 2,4-dinitrophenylhydrazone</b> |
| Specifications & Purity: | ≥98%                                       |
| SKU #                    | <b>H333446</b>                             |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 98-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
| Infrared spectrum   | Conforms to Structure |
