Specification Sheet

Product Name: **Heptafluorobutyric acid (HFBA)**
Specifications & Purity: for synthesis
SKU #: **H432666**

| Parameter | Limit Values |
|----------------------------------|----------------------------------|
| Appearance(H432666) | Colorless to light yellow liquid |
| Purity(Neutralization titration) | 98-102.5 (%) |
| Fluorine NMR Spectrum | Conforms to Structure |
| Infrared spectrum | Conforms to Structure |
