

## Specification Sheet

Product Name: **2-Hydroxybenzophenone**  
Specifications & Purity: **≥99%**  
SKU #: **H474493**

| Parameter           | Limit Values                                                                 |
|---------------------|------------------------------------------------------------------------------|
| Purity(GC)          | 99-100 (%)                                                                   |
| Appearance(H474493) | White or Colorless to Yellow to Orange powder or Crystals or Solid or Liquid |
| Melting point       | 36-42 (°C)                                                                   |
| Proton NMR spectrum | Conforms to Structure                                                        |
