

## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>Hexarhodium(0) hexadecacarbonyl</b> |
| Specifications & Purity: | Rh 57-60 %                             |
| SKU #                    | <b>H485521</b>                         |

| Parameter                       | Limit Values                               |
|---------------------------------|--------------------------------------------|
| Appearance(H485521)             | Black or Very Dark Blue Powder or Crystals |
| Rhodium (Rh)                    | 57-60 (%)                                  |
| ICP: Confirms Rhodium Component | Confirmed                                  |
| Infrared spectrum               | Conforms to Structure                      |
