## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>H-Ile-2-Chlorotrityl Resin</b>   |
| Specifications & Purity: | 0.3~0.8 mmol/g, 100~200 mesh 1% DVB |
| SKU #                    | <b>I116036</b>                      |

| Parameter     | Limit Values     |
|---------------|------------------|
| Extent        | 0.3-0.8 (mmol/g) |
| Particle size | 100-200 (mesh)   |
