## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>N-Isopropylmethacrylamide</b> |
| Specifications & Purity: | 97%                              |
| SKU #                    | <b>I132125</b>                   |

| Parameter            | Limit Values                                         |
|----------------------|------------------------------------------------------|
| Purity(GC)           | 97-100 (%)                                           |
| Appearance (I132125) | White to Tan Powder, Crystals, Granules and/or Chunk |
| Infrared spectrum    | Conforms to Structure                                |
| Proton NMR spectrum  | Conforms to Structure                                |
