

## Specification Sheet

Product Name: **4-Isopropoxybenzoic Acid**  
Specifications & Purity: **>98.0%(GC)**  
SKU #: **I157545**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Melting point       | 163-167 (°C)          |
| Proton NMR spectrum | Conforms to Structure |
