

## Specification Sheet

Product Name: **1-Isopropyl-3-pyrrolidinol**  
Specifications & Purity: **96%**  
SKU #: **I157565**

| Parameter           | Limit Values                                     |
|---------------------|--------------------------------------------------|
| Appearance(I157565) | Colorless to Light orange to Yellow clear liquid |
| Purity(GC)          | 96-100 (%)                                       |
| NMR Spectrum 1H     | Conforms to Structure                            |
