## Specification Sheet

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Product Name:            | <b>Isobornyl Acrylate (stabilized with MEHQ)</b> |
| Specifications & Purity: | ≥85%(GC)                                         |
| SKU #                    | <b>I157699</b>                                   |

| Parameter                           | Limit Values                     |
|-------------------------------------|----------------------------------|
| Purity(GC)                          | 85-100 (%)                       |
| Refractive index n <sub>20</sub> /D | 1.475-1.485                      |
| Appearance (I157699)                | Colorless to light yellow liquid |
| Proton NMR spectrum                 | Conforms to Structure            |
