

## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>4-Iodophenylhydrazine</b> |
| Specifications & Purity: | 95%                          |
| SKU #                    | <b>I166921</b>               |

| Parameter            | Limit Values                               |
|----------------------|--------------------------------------------|
| Purity(HPLC)         | 95-100 (%)                                 |
| Appearance (I166921) | White to Orange to Brown Crystal to Powder |
| Proton NMR spectrum  | Conforms to Structure                      |
