## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>N-Boc-cis-4-hydroxy-D-proline</b> |
| Specifications & Purity: | 97%                                  |
| SKU #                    | <b>I167063</b>                       |

| Parameter                          | Limit Values                           |
|------------------------------------|----------------------------------------|
| Appearance(I167063)                | White to Tan Powder, Solid or Crystals |
| Infrared spectrum                  | conforms to structure                  |
| Purity(HPLC area)                  | 96.5-100 (%)                           |
| Optical Rotation(c = 1%, Methanol) | 45.0-55.0 (°)                          |
