## Specification Sheet

|                          |                                           |
|--------------------------|-------------------------------------------|
| Product Name:            | <b>N-Acetylprocainamide hydrochloride</b> |
| Specifications & Purity: | 98% (HPLC)                                |
| SKU #                    | <b>I169714</b>                            |

| Parameter                       | Limit Values                 |
|---------------------------------|------------------------------|
| Purity(HPLC)                    | 98-100 (%)                   |
| Purity (Argentmetric Titration) | 97.5-102.5 (%)               |
| Appearance (I169714)            | White or light yellow powder |
| Proton NMR spectrum             | Conforms to Structure        |
