Specification Sheet

Product Name: **Indium antimonide**
Specifications & Purity: **99.99999% metals basis**
SKU #: **I196230**

Parameter	Limit Values
Trace Metal Analysis	0-200 (ppb)
Purity(Based On Trace Metals Analysis)	99.99999-100 (%)
Appearance (I196230)	sliver to grey powder or crystals
ICP: Confirms Indium and Antimony Component	Confirmed
X-Ray Diffraction	Conforms to Structure
