## Specification Sheet

|                          |                          |
|--------------------------|--------------------------|
| Product Name:            | <b>Isobutyl Valerate</b> |
| Specifications & Purity: | ≥98%                     |
| SKU #                    | <b>I302149</b>           |

| Parameter       | Limit Values          |
|-----------------|-----------------------|
| Purity(GC)      | 98-100 (%)            |
| NMR Spectrum 1H | Conforms to structure |
