

## Specification Sheet

Product Name: **3-Iodo-9-phenylcarbazole**  
Specifications & Purity: **>99%**  
SKU #: **I395815**

| Parameter           | Limit Values                            |
|---------------------|-----------------------------------------|
| Appearance(I395815) | White to Light yellow powder to crystal |
| Purity(HPLC)        | 99-100 (%)                              |
| Melting point       | 103-107 (°C)                            |
| Proton NMR spectrum | Conforms to Structure                   |
