

Specification Sheet

Product Name: **IL-16 human**
Specifications & Purity: for cell culture, Recombinant, Animal Free, ≥98%(SDS-PAGE&HPLC),
expressed in <I>E. coli</I>
SKU # **I755842Z**

Parameter

Appearance(I755842Z)

Biological Activity(Determined by its ability to chemoattract human peripheral blood lymphocytes using a concentration range of 50.0-1000.0 ng/ml.)

Endotoxin Level

Purity(HPLC)

Purity by SDS-PAGE

Limit Values

White to off-white

lyophilized powder

Pass

0-1.0 (EU/μg)

98-100 (%)

98-100 (%)
