

Specification Sheet

Product Name: **α -Ketoglutaric acid**
Specifications & Purity: 99%,for cell culture
SKU # **K105570**

Parameter	Limit Values
Purity(Neutralization titration)	98.5-101.5 (%)
Melting point	113-117 (°C)
Appearance (K105570)	White to Light yellow powder to crystal
Cell Culture Test	pass
Infrared spectrum	Conforms to Structure
Insect cell culture test	pass
Solubility in H ₂ O , Colorless and clear,50 mg/mL	pass
