

## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>Lithium borohydride</b> |
| Specifications & Purity: | 2.0M in THF                |
| SKU #                    | <b>L107012</b>             |

| Parameter            | Limit Values  |
|----------------------|---|
| Concentration        | 1.9-2.1 (mol/L)   |
| Appearance (L107012) | Colorless or Grey Liquid(With a small of precipitation) |
