## Specification Sheet

|                          |                   |
|--------------------------|-------------------|
| Product Name:            | <b>Ledipasvir</b> |
| Specifications & Purity: | 98%               |
| SKU #                    | <b>L125620</b>    |

| Parameter            | Limit Values                             |
|----------------------|------------------------------------------|
| Purity(HPLC)         | 98-100 (%)                               |
| Appearance (L125620) | White to Light Yellow Powder or Crystals |
| NMR spectrum         | Conforms to Structure                    |
