## Specification Sheet

Product Name: **Lithium Nonafluoro-1-butanesulfonate**  
Specifications & Purity: >95.0%(T)  
SKU #: **L157767**

**Parameter**

Purity(Ion exchange titration)

Appearance (L157767Form)

Appearance (L157767Color)

Fluorine NMR Spectrum

ICP: Confirms Lithium Component

Proton NMR spectrum

**Limit Values**

94.5-105.5 (%)

Powder to crystal

White to almost white

Conforms to Structure

Confirmed
