## Specification Sheet

|                          |                          |
|--------------------------|--------------------------|
| Product Name:            | <b>Lithium octanoate</b> |
| Specifications & Purity: | ≥95%                     |
| SKU #                    | <b>L340331</b>           |

| Parameter                       | Limit Values          |
|---------------------------------|-----------------------|
| Assay(NonaqueousTitration)      | 95-101.5 (%)          |
| ICP: Confirms Lithium Component | Confirmed             |
| NMR Spectrum 1H                 | Conforms to Structure |
