## Specification Sheet

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Product Name:            | (S)-1-((Benzyloxy)carbonyl)piperidine-3-carboxylic acid |
| Specifications & Purity: | 97%                                                     |
| SKU #                    | L354732                                                 |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
