

## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>Lumacaftor (VX-809)</b> |
| Specifications & Purity: | Moligand™, 10mM in DMSO    |
| SKU #                    | <b>L408585-1ml</b>         |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
