## Specification Sheet

Product Name: **(+)-Ledene**  
Specifications & Purity: Moligand™, ≥95%(sum of enantiomers)  
SKU #: **L464122**

| Parameter                         | Limit Values          |
|-----------------------------------|-----------------------|
| Purity(HPLC) (sum of enantiomers) | 95-100 (%)            |
| NMR Spectrum 1H                   | Conforms to Structure |
| LC-MS for identification          | Conforms              |
