## Specification Sheet

|                          |                  |
|--------------------------|------------------|
| Product Name:            | <b>Lotilaner</b> |
| Specifications & Purity: | Moligand™, ≥99%  |
| SKU #                    | <b>L651016</b>   |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 99-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
