

## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>Methyl acrylate</b>              |
| Specifications & Purity: | Standard for GC, $\geq 99.5\%$ (GC) |
| SKU #                    | <b>M100029</b>                      |

| Parameter       | Limit Values          |
|-----------------|-----------------------|
| Purity(GC)      | 99.5-100 (%)          |
| NMR Spectrum 1H | Conforms to Structure |
