

## Specification Sheet

Product Name: **4-(Methylsulfanyl)thiophenol**  
Specifications & Purity: **96%**  
SKU #: **M101782**

| Parameter                          | Limit Values                                        |
|------------------------------------|-----------------------------------------------------|
| Density (20°C)                     | 1.19-1.195                                          |
| Purity(GC)                         | 96-100 (%)                                          |
| Refractive index n <sub>20/D</sub> | 1.65-1.656                                          |
| Appearance (M101782)               | Colorless to Yellow Liquid or White to Yellow solid |
| NMR Spectrum <sup>1</sup> H        | conforms to structure                               |
