## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Methyl Vanillate</b> |
| Specifications & Purity: | 99%                     |
| SKU #                    | <b>M102757</b>          |

| Parameter                 | Limit Values              |
|---------------------------|---------------------------|
| Melting point             | 58-67 (°C)                |
| Purity(GC)                | 99-100 (%)                |
| Appearance (M102757Form)  | Powder to crystal         |
| Appearance (M102757Color) | White to Yellow to Orange |
| Proton NMR spectrum       | Conforms to Structure     |
