## Specification Sheet

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Product Name:            | <b>Manganes Solution</b>                            |
| Specifications & Purity: | analytical standard, 100ug/ml in 1%HNO <sub>3</sub> |
| SKU #                    | <b>M105844</b>                                      |

| Parameter                         | Limit Values                  |
|-----------------------------------|-------------------------------|
| Concentration                     | 98-102 (µg/ml)                |
| Appearance (M105844)              | Colorless, transparent liquid |
| Solvent(1%HNO <sub>3</sub> )      | Conform                       |
| Related expanded uncertainty(k=2) | 0-4 (%)                       |
