## Specification Sheet

Product Name: **4,4'-Methylenebis(3-nitroaniline)**  
Specifications & Purity: **≥95%**  
SKU #: **M1070060**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
