

Specification Sheet

Product Name: **Methanesulfonic acid**
Specifications & Purity: **98%**
SKU #: **M108503**

Parameter	Limit Values
Refractive index n ₂₀ /D	1.4285-1.4315
Melting point	15-20 (°C)
Purity(Neutralization titration)	98-100 (%)
Appearance (M108503)	Colorless to light yellow liquid
Infrared spectrum	Conforms to Structure
