

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

## Specification Sheet

Product Name: **Methyl p-toluate**  
Specifications & Purity: **99%**  
SKU #: **M110633**

| Parameter            | Limit Values                                                                          |
|----------------------|---------------------------------------------------------------------------------------|
| Purity(GC)           | 99-100 (%)                                                                            |
| Melting point        | 32-35 (°C)                                                                            |
| Appearance (M110633) | White or Colorless to Almost white or Almost colorless powder to lump to clear liquid |
| Proton NMR spectrum  | Conforms to Structure                                                                 |
