|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Methyl Pentadecanoate</b> |
| Specifications & Purity: | analytical standard          |
| SKU #                    | <b>M114398</b>               |

| Parameter                           | Limit Values                          |
|-------------------------------------|---------------------------------------|
| Purity(GC)                          | 99.5-100 (%)                          |
| Refractive index n <sub>20</sub> /D | 1.437-1.44                            |
| Density (20°C)                      | 0.864-0.869                           |
| Appearance (M114398)                | Clear colorless liquid or white solid |
| Proton NMR spectrum                 | Conforms to Structure                 |
