## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>Mercury in Water</b>         |
| Specifications & Purity: | 1000ug/mL,in 3%HNO <sub>3</sub> |
| SKU #                    | <b>M117581</b>                  |

| Parameter                         | Limit Values    |
|-----------------------------------|-----------------|
| Concentration                     | 999-1001 (mg/L) |
| Related expanded uncertainty(k=2) | 0-4 (%)         |
| Solvent (HNO <sub>3</sub> )       | conform         |
