

## Specification Sheet

|                          |  |
|--------------------------|--|
| Product Name:            | <b>Molecular Weight CRM of Dextran</b> |
| Specifications & Purity: | Mw:1.26×10 <sup>4</sup> g/mol          |
| SKU #                    | <b>M119500</b>                         |

| Parameter                       | Limit Values |
|---------------------------------|--------------|
| molecular weight distribution   | 0-1.8        |
| Weight-average Molecular Weight | 11600-13600  |
