

## Specification Sheet

Product Name: **4-Amino-2-methoxypyridine**  
Specifications & Purity: **≥98%**  
SKU #: **M119976**

| Parameter                   | Limit Values          |
|-----------------------------|-----------------------|
| Purity(GC)                  | 98-100 (%)            |
| Melting point               | 88-92 (°C)            |
| Purity(NonaqueousTitration) | 97.5-102.5 (%)        |
| Appearance (M119976)        | White powder          |
| Proton NMR spectrum         | Conforms to Structure |
