## Specification Sheet

|                          |                             |
|--------------------------|-----------------------------|
| Product Name:            | <b>5-Methyl-1H-indazole</b> |
| Specifications & Purity: | 95%                         |
| SKU #                    | <b>M121870</b>              |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 95-100 (%)            |
| Infrared spectrum   | Conforms to Structure |
| Proton NMR spectrum | Conforms to Structure |
