

## Specification Sheet

|                          |                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------|
| Product Name:            | <b><math>\alpha</math>-Maleimidopropionyl-<math>\omega</math>-succinimidyl-6(ethylene glycol)</b> |
| Specifications & Purity: | 96%                                                                                               |
| SKU #                    | <b>M122178</b>                                                                                    |

| Parameter              | Limit Values          |
|------------------------|-----------------------|
| Purity(HPLC)           | 96-100 (%)            |
| Assay (Total nitrogen) | 95.5-102.5 (%)        |
| Proton NMR spectrum    | Conforms to Structure |
