## Specification Sheet

|                          |   |
|--------------------------|---|
| Product Name:            | <b>Methoxypolyethylene glycol azide</b> |
| Specifications & Purity: | PEG average Mn 2000                     |
| SKU #                    | <b>M122209</b>                          |

| <b>Parameter</b>     | <b>Limit Values</b>               |
|----------------------|-----------------------------------|
| Molecular number     | 1800-2200                         |
| Melting point        | 45-50 (°C)                        |
| Appearance (M122209) | white to beige powder or crystals |
| Infrared spectrum    | Conforms to Structure             |
| NMR spectrum         | Conforms to Structure             |
